RE: South Carolina Electric & Gas Company
Request for Approval of Contract for Electric Service with Dayton Rogers of
South Carolina, LLC

Dear Ms. Boyd:

Pursuant to 10 S.C. Code Ann. Regs. 103-303 (2012), South Carolina Electric & Gas Company ("SCE&G" or "Company") hereby files and seeks approval of a Contract for Electric Service ("Contract") between SCE&G and Dayton Rogers of South Carolina, LLC, with such approval to be made effective as of April 1, 2014. Under the contract, SCE&G will begin providing service to Dayton Rogers on April 1, 2014. The Contract continues for ten (10) years from the date of service, unless an early termination is mutually agreed upon by the parties. The Contract is automatically extended thereafter until terminated by either party.

Dayton Rogers of South Carolina, LLC, is a division of Dayton Rogers Manufacturing Company ("Dayton Rogers"), a full-service metal forming supplier headquartered in Minnesota with plants in California, Ohio, Minnesota, New York, Texas, and Florida. The Contract is related to Dayton Rogers' decision to create a new division and open a new production facility in Richland County. The new production facility will be located at 1020 2nd Avenue in Columbia, near Bluff Road and Interstate 77, in an existing two-building facility totaling 135,000 square feet. The new facility will be the largest of all of Dayton Rogers' facilities, and Dayton Rogers expects the approximately \$11 million planned investment to create 134 new jobs over the next five years.

Due to the commercial sensitivity and proprietary nature of certain provisions of this Contract as well as the highly competitive nature of the industry in which Dayton Rogers operates, the Company and Dayton Rogers respectfully request that the Public Service Commission of South Carolina ("Commission") find that the Contract contains protected

Information Act, S.C. Code Ann. §§ 30-4-10 *et seq.*, 10 S.C. Code Ann. Regs. 103-804(S)(1), or any other provision of law. Pursuant to 10 S.C. Code Ann. Regs. 103-804(S)(2), the determination of whether a document may be exempt from disclosure is within the Commission's discretion.

To this end, and in accordance with Commission Order No. 2005-226, dated May 6, 2005, in Docket No. 2005-83-A, we enclose with this letter a redacted version of the First Amendment that protects from disclosure the sensitive, proprietary and commercially valuable information, while making available for public viewing non-protected information. We also enclose a copy of the unredacted First Amendment in a separate, sealed envelope and respectfully request that, in the event that anyone should seek disclosure of this unredacted First Amendment, the Commission notify SCE&G of such request and provide it with an opportunity to obtain an order from this Commission or a court of competent jurisdiction protecting the First Amendment from disclosure.

Enclosed are the following:

- (1) A true and correct copy of the original First Amendment in a sealed envelope marked "CONFIDENTIAL." Each page of the First Amendment is also marked "CONFIDENTIAL."
- (2) Ten (10) copies of a redacted copy of the First Amendment for filing and public disclosure.

By copy of this letter, we are providing the South Carolina Office of Regulatory Staff ("ORS") with a redacted copy of the First Amendment for its records. Additionally, SCE&G will make the original, unredacted copy of the First Amendment available to ORS for its review.

Thank you for your assistance and consideration of this matter. If you have any questions, please do not hesitate to contact us at your convenience.

Very truly yours,

Matthew W. Gissendanner

Neither party shall be liable to the other in any event, whether in contract, tort or otherwise, for any loss of revenue, profits, use of production, costs of capital or purchased or replacement power, interest, business interruption, claims of customers or any other incidental, indirect or consequential damages of any nature whatsoever.
